Thank you for your interest in the BMA committee mentoring programme.

Our goal is to support the professional development of members, and give them the skills required to be effective committee members and future leaders. The programme is designed to help committee members set and achieve their goals, and realise their full potential.

Please complete the form below and highlight the areas where you would benefit from development. This is a key part of the matching process as we will select a mentor for you based on this information.

Once you have completed the form please return it to Yasemin Dil: mentoring@bma.org.uk. Priority will be given to new BMA committee members that have not previously sat on any BMA committee.

If you have any questions regarding the mentoring programme or the application process please do not hesitate to contact us.

By completing this form you are giving consent to the BMA Corporate EDI (equality, diversity and inclusion) team to use the details provided for the sole purpose of mentor-mentee matching.

Your information will remain secure and confidential. It will not be disclosed outside of the unit until you have chosen a mentor, at which point your contact details will be passed on to the mentor. For further information about how the BMA processes personal data please see our full privacy policy at bma.org.uk/about-us/legal-policies/privacy-policy.
