A guide for our elected members

Dear Colleague

Please accept my congratulations on being elected or re-elected as an elected member. May I extend a very warm welcome to you and I hope you find this guide a useful introduction and reference.

The guide contains overarching information about the BMA, which provides the contact for the work that we all do. In addition to the standard information relevant to all elected members, your pack is customised to include information about the specific committees that you serve on and the devolved nation or region that you work in. All the information contained in the pack will also be available on our website at bma.org.uk/getinvolved.

Elected members can attend our BMA leadership programme (foundation or advanced level) to help support your development in a medico-political environment and help you learn how to lead committee meetings effectively, build self-belief and motivation and develop key skills.

If you would like any further information please get in touch with Yasemin Dil, head of corporate activity and EDI, ydil@bma.org.uk.

I hope that you find the pack useful – if you have any feedback or comments on how we can improve it, please don’t hesitate to get in touch with me.

Best wishes

Helena McKeown
Representative body chair
