[Note: Schedule 1 of the Terms and Conditions contains guidance on commencement of employment].?

3 General Mutual Obligations
 Whilst it is necessary to set out formal employment arrangements in this contract, we also recognise that you are a senior and professional employee who will usually work unsupervised and frequently have the responsibility for making important judgements and decisions. It is essential therefore that you and we work in a spirit of mutual trust and confidence. You and we agree to the following mutual obligations in order to achieve the best for patients and to ensure the efficient running of the service:

• to co-operate with each other;
• to maintain goodwill;
• to carry out our respective obligations in agreeing and operating a Job Plan;

* Employing organisation to complete
† Employing organisations may wish to insert a pay scale code here.?
• to carry out our respective obligations in accordance with appraisal arrangements;
• to carry out our respective obligations in devising, reviewing, revising and following the organisation’s policies, objectives, rules, working practices and protocols.

THE WORK

4 Location
Your principal place of work is [         ].* Other work locations including off site working may be agreed in your Job Plan where appropriate, e.g. for supporting professional activities and some direct clinical care such as audit notes. You will generally be expected to undertake your Programmed Activities at the principal place of work or other locations agreed in the Job Plan. Exceptions will include travelling between work sites and attending official meetings away from the workplace.

You may be required to work at any site within your employing organisation, including new sites.

5 Duties

5.1 Main Duties and Programmed Activities
Except in emergencies or where otherwise agreed with your manager, you are responsible for fulfilling the duties and responsibilities and undertaking the Programmed Activities set out in your Job Plan, as reviewed from time to time in line with the provisions in section 6 below.

5.2 Associated Duties
You are responsible for the associated duties set out in Schedule 2 of the Terms and Conditions.

5.3 Objectives
The purpose of including agreed personal objectives in your Job Plan is to set out in clear and transparent terms what you and your clinical manager have agreed should reasonably be achieved in the year in question. These objectives are not contractually binding in themselves, but you have a duty to make all reasonable efforts to achieve them.

5.4 On-Call Duties and Emergency Responses
You may also be required to participate in an on-call rota to provide emergency cover (see section 9). When not on an on-call rota, we may in exceptional circumstances ask you to return to site for emergencies if we are able to contact you. You are not, however, required to be available for such eventualities. Where emergency recalls of this kind become frequent, we will review the need to introduce an on-call rota.

6 Job Planning

6.1 Job Plan
You and your clinical manager have agreed a prospective Job Plan that sets out your main duties and responsibilities, a schedule for carrying out your Programmed Activities, your managerial responsibilities, your accountability arrangements, your objectives and supporting resources.
You and your clinical manager will review the Job Plan annually in line with the provisions in Schedule 3 of the Terms and Conditions. Either may propose amendment of the Job Plan. You will help ensure through participating in Job Plan reviews that your Job Plan meets the criteria set out in the Terms and Conditions and that it contributes to the efficient and effective use of NHS resources.

7 Programmed Activities

7.1 Scheduling of Activities
You and your clinical manager will agree in the schedule of your job plan the programmed activities that are necessary to fulfil your duties and responsibilities, and the times and locations at which these activities are scheduled to take place. You and your clinical manager will seek to reach agreement in the scheduling of all activities. We will not schedule non-emergency work during premium time without your agreement.

Subject to the provisions for recognising work done in Premium Time (see section 8 below), a Programmed Activity has a timetable value of four hours. Each Programmed Activity may include a combination of duties.

Your job plan will contain \[ \text{[ ]} \] * Programmed Activities per week on average, subject to the provisions below for recognising emergency work arising from on-call rotas. A standard full-time Job Plan will contain 10 Programmed Activities subject to the provisions in Paragraph 7.6 to agree up to two extra Programmed Activities. Remuneration for Programmed Activities is set out in section 21 below and Schedules 13 and 14 of the Terms and Conditions of Service.

[Note: the number of Programmed Activities will need to be adjusted for part time consultants. Where a consultant has a part-time contract, the employing organisation will need to agree the number of weekly Programmed Activities that should be included in the Job Plan.

Where a consultant appointed after 1 January 2004 wishes to work part-time in order to undertake private practice, such contracts should normally be for no more than six Programmed Activities]

7.2 Flexibility
Attaching a time value to Programmed Activities is intended to provide greater transparency about the level of commitment expected of consultants by the NHS. However, you and your clinical manager can agree flexible arrangements for timing of work.

Programmed Activities may be scheduled either as a single block of four hours, or sub-divided into smaller units of time.

The precise length of Programmed Activities may vary from week to week around the average assessment set out in the Job Plan.

You and your clinical manager may agree, as part of your Job Plan, arrangements for the annualisation of Programmed Activities. In such a case, you and your clinical manager will agree an annual number of
Programmed Activities and your Job Plan will set out variations in the level and distribution of Programmed Activities within the overall annual total.

You and your clinical manager may agree, as part of your Job Plan, other arrangements for flexible scheduling of commitments over an agreed period of time.

Any variations in your scheduled weekly commitments should be averaged out over 26 weeks, so that your average commitment is consistent with the provisions of the Working Time Regulations.

7.3 Balance between Direct Clinical Care and other Programmed Activities
Subject to the provisions for recognising emergency work arising from on-call rota duties below, the schedule in your Job Plan will typically include an average of [7½] * Programmed Activities for Direct Clinical Care duties and [2½] * Programmed Activities for Supporting Professional Activities. Where your agreed level of duties in relation to supporting professional activities, additional responsibilities and other duties is significantly greater or lower than 2½ programmed activities there will be local agreement as to the appropriate balance between activities. [Note: Part-time consultants need to devote proportionately more of their time to Supporting Professional Activities. This should be agreed on an individual basis. Refer to the guidance on part time and flexible working for further information].

The precise balance will be agreed as part of Job Plan reviews and may vary to take account of circumstances where the agreed level of duties in relation to Supporting Professional Activities, Additional NHS Responsibilities and External Duties is significantly greater or lower than [2½] Programmed Activities.

Responsibilities as a Medical Director or Clinical Director may be reflected by substitution for other whole or part Programmed Activities or by additional remuneration agreed locally.

7.4 External Duties
Where you wish to seek agreement to have External Duties included in your Job Plan, you must notify your clinical manager in advance. Scheduling of such duties will be by agreement between you and your clinical manager. Where carrying out these External Duties might affect the performance of direct clinical duties, where possible you will give us sufficient notice to ensure that, where such external duties are agreed, you and your clinical manager can agree a revised schedule of activities at least a month in advance.

7.5 Recognition of Emergency Work arising from On-Call Duties
Where emergency work takes place at regular and predictable times, your clinical manager will seek to schedule it as part of the Programmed Activities in your Job Plan schedule. You may, however, be required to participate in an on-call rota to respond to less predictable emergencies.

The provisions in Schedule 5 of the Terms and Conditions apply to recognise unpredictable emergency work arising from on-call rota duties.
that takes place other than during a Programmed Activity scheduled in your Job Plan.

7.6 Additional Programmed Activities
You and your clinical manager may agree that you will undertake additional Programmed Activities over and above the [ten] Programmed Activities that constitute your standard contractual duties, up to the maximum permitted under the Working Time Regulations. [Note: add contracted number for part-time consultants] The remuneration for these activities is covered by section 21 below and Schedules 13 and 14 of the Terms and Conditions. Any such agreement will be made in writing and the additional Programmed Activities will be incorporated into your Job Plan schedule.

Subject to the provisions in section 7.7 below, and without prejudice to section 7.8 below, you do not have to agree to carry out more than ten Programmed Activities on average per week. [Note: to be adjusted for part-time consultants] However, where you do give your agreement, you must undertake such activities. The remuneration for these activities is covered by Section 21 below and Schedules 13 and 14 of the Terms and Conditions. Any additional Programmed Activities that you carry out beyond the standard [ten] [Note: to be adjusted for part-time consultants] Programmed activities, will be paid at the rates set out in Schedules 13 and 14 of the Terms and Conditions.

7.7 Unallocated.

7.8 Extra Programmed Activities and Spare Professional Capacity
Where you intend to undertake private professional services other than such work carried out under the terms of this contract, whether for the NHS, for the independent sector or for another party, the provisions in Schedule 6 of the Terms and Conditions will apply.

8 Premium Time
The provisions in Schedule 7 of the Terms and Conditions will apply to recognise the unsocial nature of work done in Premium Time and the flexibility needed by consultants who work at these times as part of a more varied overall working pattern. On any occasion where a consultant is scheduled to work during the Premium Time period, the employing organisation will ensure that the consultant has adequate rest both before and after this period of duty.

9 On-Call and Emergency Duties
9.1 On-Call Rotas
Where you are on an on-call rota, the provisions in Schedule 8 of the Terms and Conditions will apply.

Your on-call duties will be set out in the published rota or in accordance with any alternative arrangements that you agree with your colleagues for providing on-call cover.
9.2 On-Call Availability Supplements
Where you are on an on-call rota, you will receive an on-call availability supplement according to the provisions in Schedule 16 of the Terms and Conditions. The level of supplement will depend on the frequency of your rota and the typical nature of the required response when you are called.
