372. Motion 26 – AMENDMENT

In the stem of the motion, change the words 'paid by the local authority' to 'paid by the relevant authorities' and in part iii change the words 'local authorities' to 'relevant authorities' so the motion now reads:

Motion by LONDON REGIONAL COUNCIL: That this meeting believes that there is a dwindling availability of pathologists to carry out post-mortem examinations at the request of Her Majesty's Coroners in England and Wales. The vast majority of these autopsies are carried out by histopathologists (coroners' pathologists). Most of the work for coroners is not usually conducted under their formal contracts or job plans, but independently. In order to avoid a complete collapse of the service and given that the fee for autopsy work, paid by **the relevant** authorities, has not increased in line with inflation over decades this meeting:-

- i) demands that the UK Government names the government department to take responsibility for this part of the service;
- ii) calls for the BMA to negotiate a substantial rise in the fees associated with coroners post-mortems in England and Wales;
- iii) calls on the government to adequately fund this through the **relevant** authorities in England and Wales.
