

#BMABallotReady

The BMA is getting ready to ballot junior doctors, starting around 9 January.

It is vital we have up-to-date details for all of those who are entitled to vote. As well as your personal details, we must have up-to-date place of work information for all your workplaces.

Every missed ballot is a missed chance to have your say

Please check and update your details at

Alternatively, you can email doctorspay@bma.org.uk
