

How to get a seat at the Annual Representative Meeting (ARM) 2024

How to get a seat at the Annual Representative Meeting (ARM)

Purpose of these pages

The ARM is the BMA's main policy making body and guidance will explain the ways in which members of the Association can obtain seats at the ARM.

The 2024 ARM will be held on Monday 24 June and Tuesday June 2024.

Membership of the RB and constitution

There are 560 seats on the RB. 280 of these are allocated to the BMA divisions and another 280 are allocated to the branches of practice (see the list below) as well as to other groups. (NB: In addition to the 560 seats, a further eight are allocated to the voting members of the ARM Agenda Committee).

Routes to the ARM

There are three routes for interested BMA members to use for attendance at the ARM:

1. They can seek one of the 280 seats allocated to BMA divisions.
2. They can apply (via the regional councils in England and BMA national councils in the devolved nations) for division seats which the divisions have been unable to fill.
3. They can seek one of the seats allocated to their branch of practice.

More information about these routes follows:

1. Via BMA divisions:

Nominations are sought from the 169 BMA divisions to fill the 280 seats allocated to divisions throughout the UK. Representatives from divisions are divided into the branch of practice categories set out below. This year elections are being held centrally and all BMA members within their region are eligible to nominate and vote in the elections. An email was sent to all members on 14 December to invite nominations, the deadline for nominations is 19 January at midday.

Once representatives are elected they will be invited to register their attendance via the EventsAir portal no later than 1 March 2024.

Members interested in obtaining a place at the ARM via their division are invited to submit a nomination via <https://elections.bma.org.uk/>. The deadline for nominations is midday at 11 January 2024.

The following bye-laws will be applied when electing representatives:

31 (2) In any one year where a division is entitled to elect two representatives, not more than one shall be in the same primary branch of practice as defined in bye-laws 56 (2) 2.2 and 58 (4).

(3) In any one year where a division is entitled to elect three or more representatives not more than two shall be in the same primary branch of practice as defined in bye-laws 56 (2) 2.2 and 58 (4).

N.B Any seats that are unfilled by **1 March** will be reallocated to the regional / national councils (see below).

2. Via the regional councils / national councils:

There are ten regional councils in England:

Eastern
East Midlands
London
North east
North west
South central
South east Coast
South west
West Midlands
Yorkshire

There are three national councils:

Northern Ireland
Scotland
Wales

The regional / national council route is available to interested members who have not been able to obtain a place at the ARM via their division because the number of places allocated to the division have been filled. It is also available to interested members who have been unable to obtain a place via their branch of practice group (see section 3 below). Those who wish to apply for a seat via the regional or national council, should contact their respective regional / national contact below who can provide information on how to get a seat via the regional / national council.

3. Branch of practice seats:

The number of RB seats allocated to the branches of practice and other nominating bodies is 280.

The branches of practice are:

- (a) academics
- (b) armed forces
- (c) consultants
- (d) general practice
- (e) junior doctors
- (f) occupational medicine
- (g) public health medicine
- (h) staff, associate specialists and specialty doctors
- (i) members in practice but not covered by (a) to (h) above
- (j) medical students
- (k) retired members

Branch of practice seats are either allocated by the annual branch of practice conferences or the branch of practice committees.

The number of seats allocated to each branch of practice reflects the average membership of each group over the previous 12-month period to October, apart from the smaller branch of practice

groups where three seats are allocated to each. Members interested in obtaining a place via their branch of practice group should contact the appropriate secretariat below. The secretariats will be able to advise on the nominations procedure and deadlines for that branch of practice.

Where possible, **please avoid applying for multiple ARM seats from different routes as this will disenfranchise other members**. However, in the event that you have gained more than one voting seat, we would be grateful if you could contact the relevant secretariat as soon as possible to release one of the seats.

Contact details for regional centres, national offices and regional coordinators:North east regional council

Regional coordinator/ IRO: Adele Heeley 0113 261 8337 AHeeley@bma.org.uk
