

Racist abuse will **not** be tolerated.

All healthcare workers have a right to work in an environment free from abuse.

If you are racist towards our staff, there will be consequences.

- Your treatment could be delayed or even refused¹
- You could be removed from the GP practice list or banned from the premises
- You could be reported to the police.

**Racism is a choice.
Make a different one.**

¹ For exceptions see BMA guidance: Managing discrimination from patients, their guardians and relatives.
